

Patient Transfer

Discover why the EZ-Tranz Gold Patient Transfer Board is the best solution for lateral patient transfer

EZ

Easy to use because of the instruction diagram. Wall rack available to keep it nearby.

SAFE

Safer for staff because there is no need to lift patients to transfer. Only 3 lbs. EZ to lift and position, reducing fatigue and injury to staff. MRI safe!

COMFORTABLE

Patients roll quietly and smoothly on the solid foam core which is much more comfortable than other devices.

CLEAN

Smooth Antimicrobial Plastic handles coupled with an Ultra Fresh antimicrobial cover make this board a great choice in the fight against HAIs. Can be cleaned with most antibacterial wipes found in healthcare facilities.

MCM190 Series
